Road Safety Alphabet

AUTHOR

DAVINA MCCULLOUGH

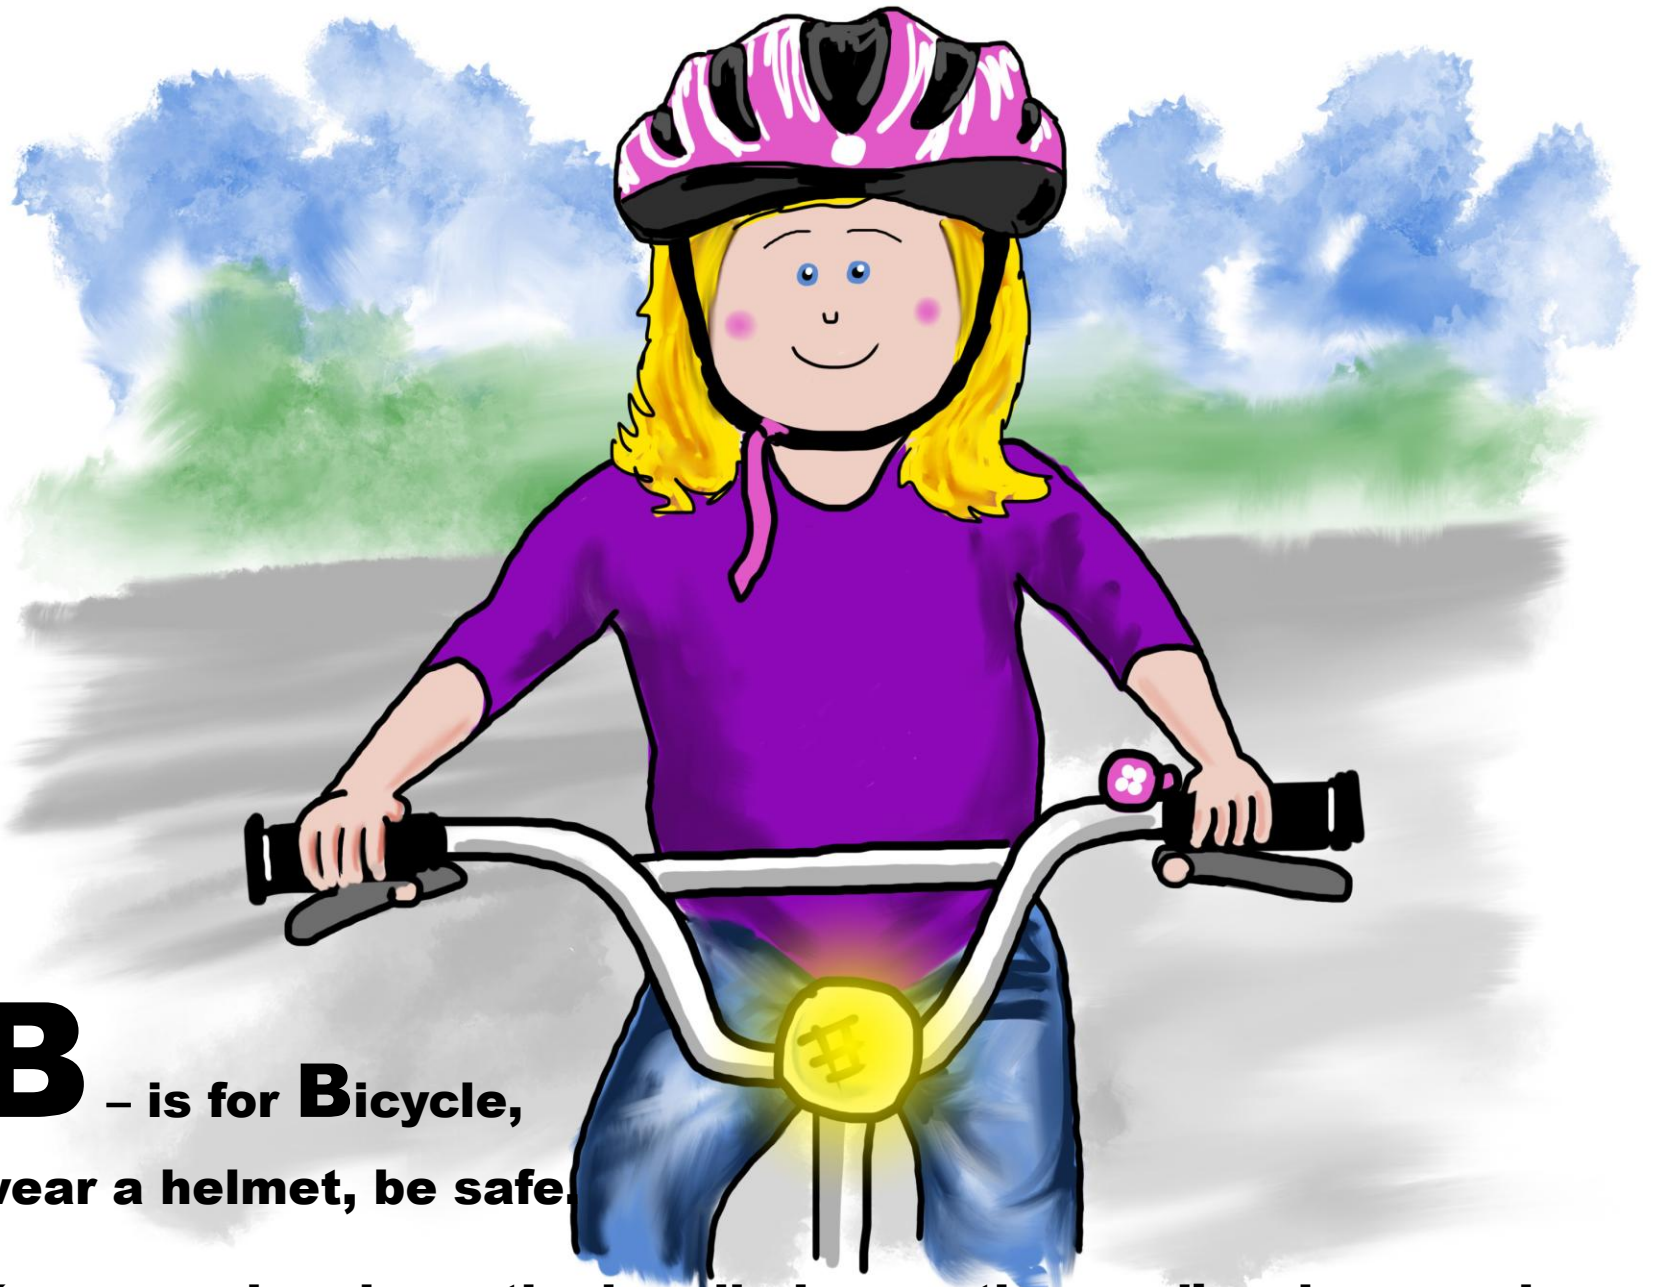

ILLUSTRATOR

ANDY WEARS

A – Is for **A**nimals, keep your dog on a lead.

Away from the traffic, travelling at speed.

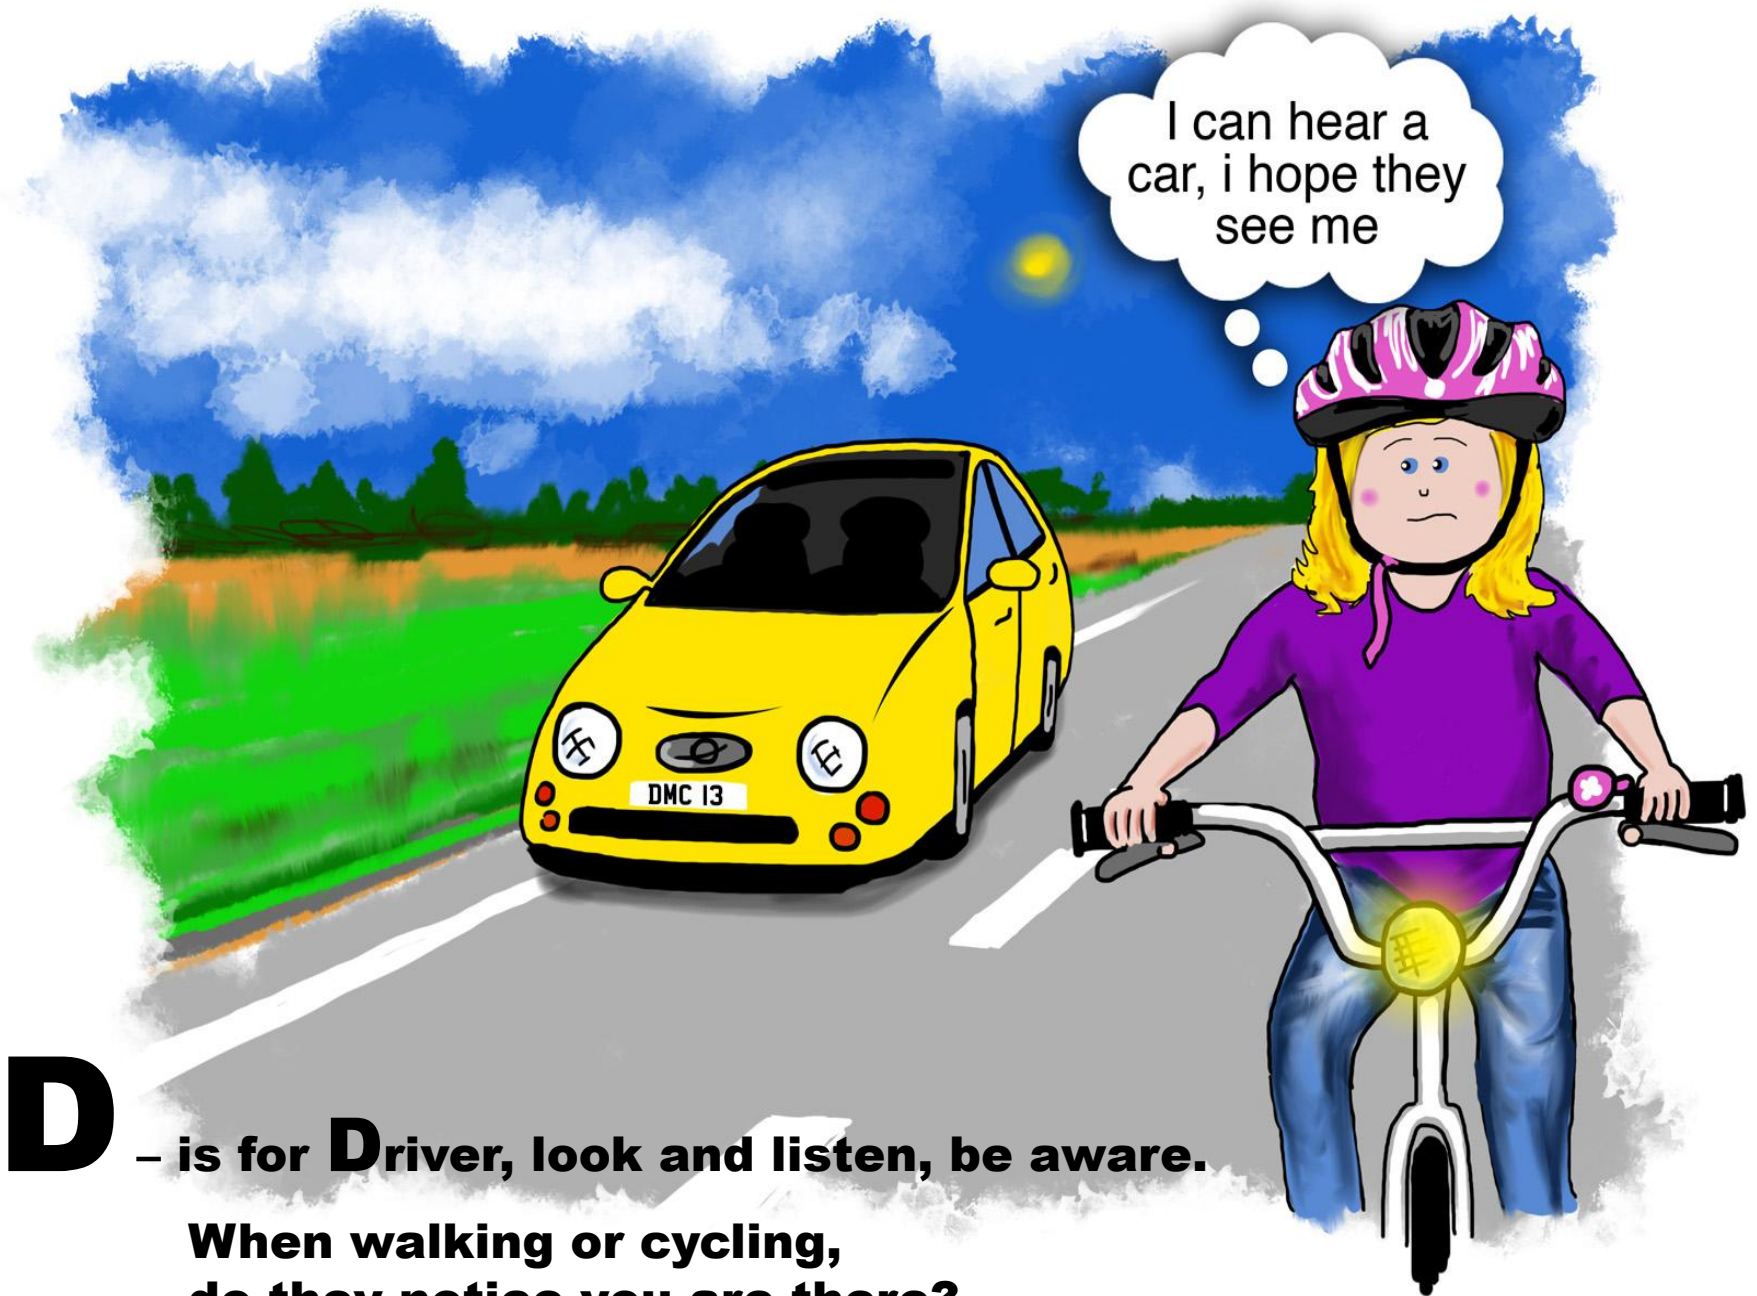

B – is for **B**icycle,
wear a helmet, be safe.

Keep your hands on the handle bars, the road's a bumpy place.

C – is for **C**areful, don't be in a hurry.

**You could get knocked down,
Now that would be a worry.**

D – is for **D**river, look and listen, be aware.

**When walking or cycling,
do they notice you are there?**

E – is for **E**yes and **E**ars.

Keep them open as you go.

**Whether traveling for miles,
or just crossing the road.**

F – is for **F**ootpath, don't walk close to the edge.

If there is no footpath, keep close to the hedge.

G – is for **G**o, when safe walk quickly on your way.

When crossing the road, there's no time to play.

H – is for **H**ome, make it back safe every day.

**Out on the roads,
can be a dangerous place to stay.**

I – is for don't be **I**nvisible,
always be in sight.

"BEEEEEP!!!"

**Never cross between
parked cars**

**and wear bright colours at
night.**

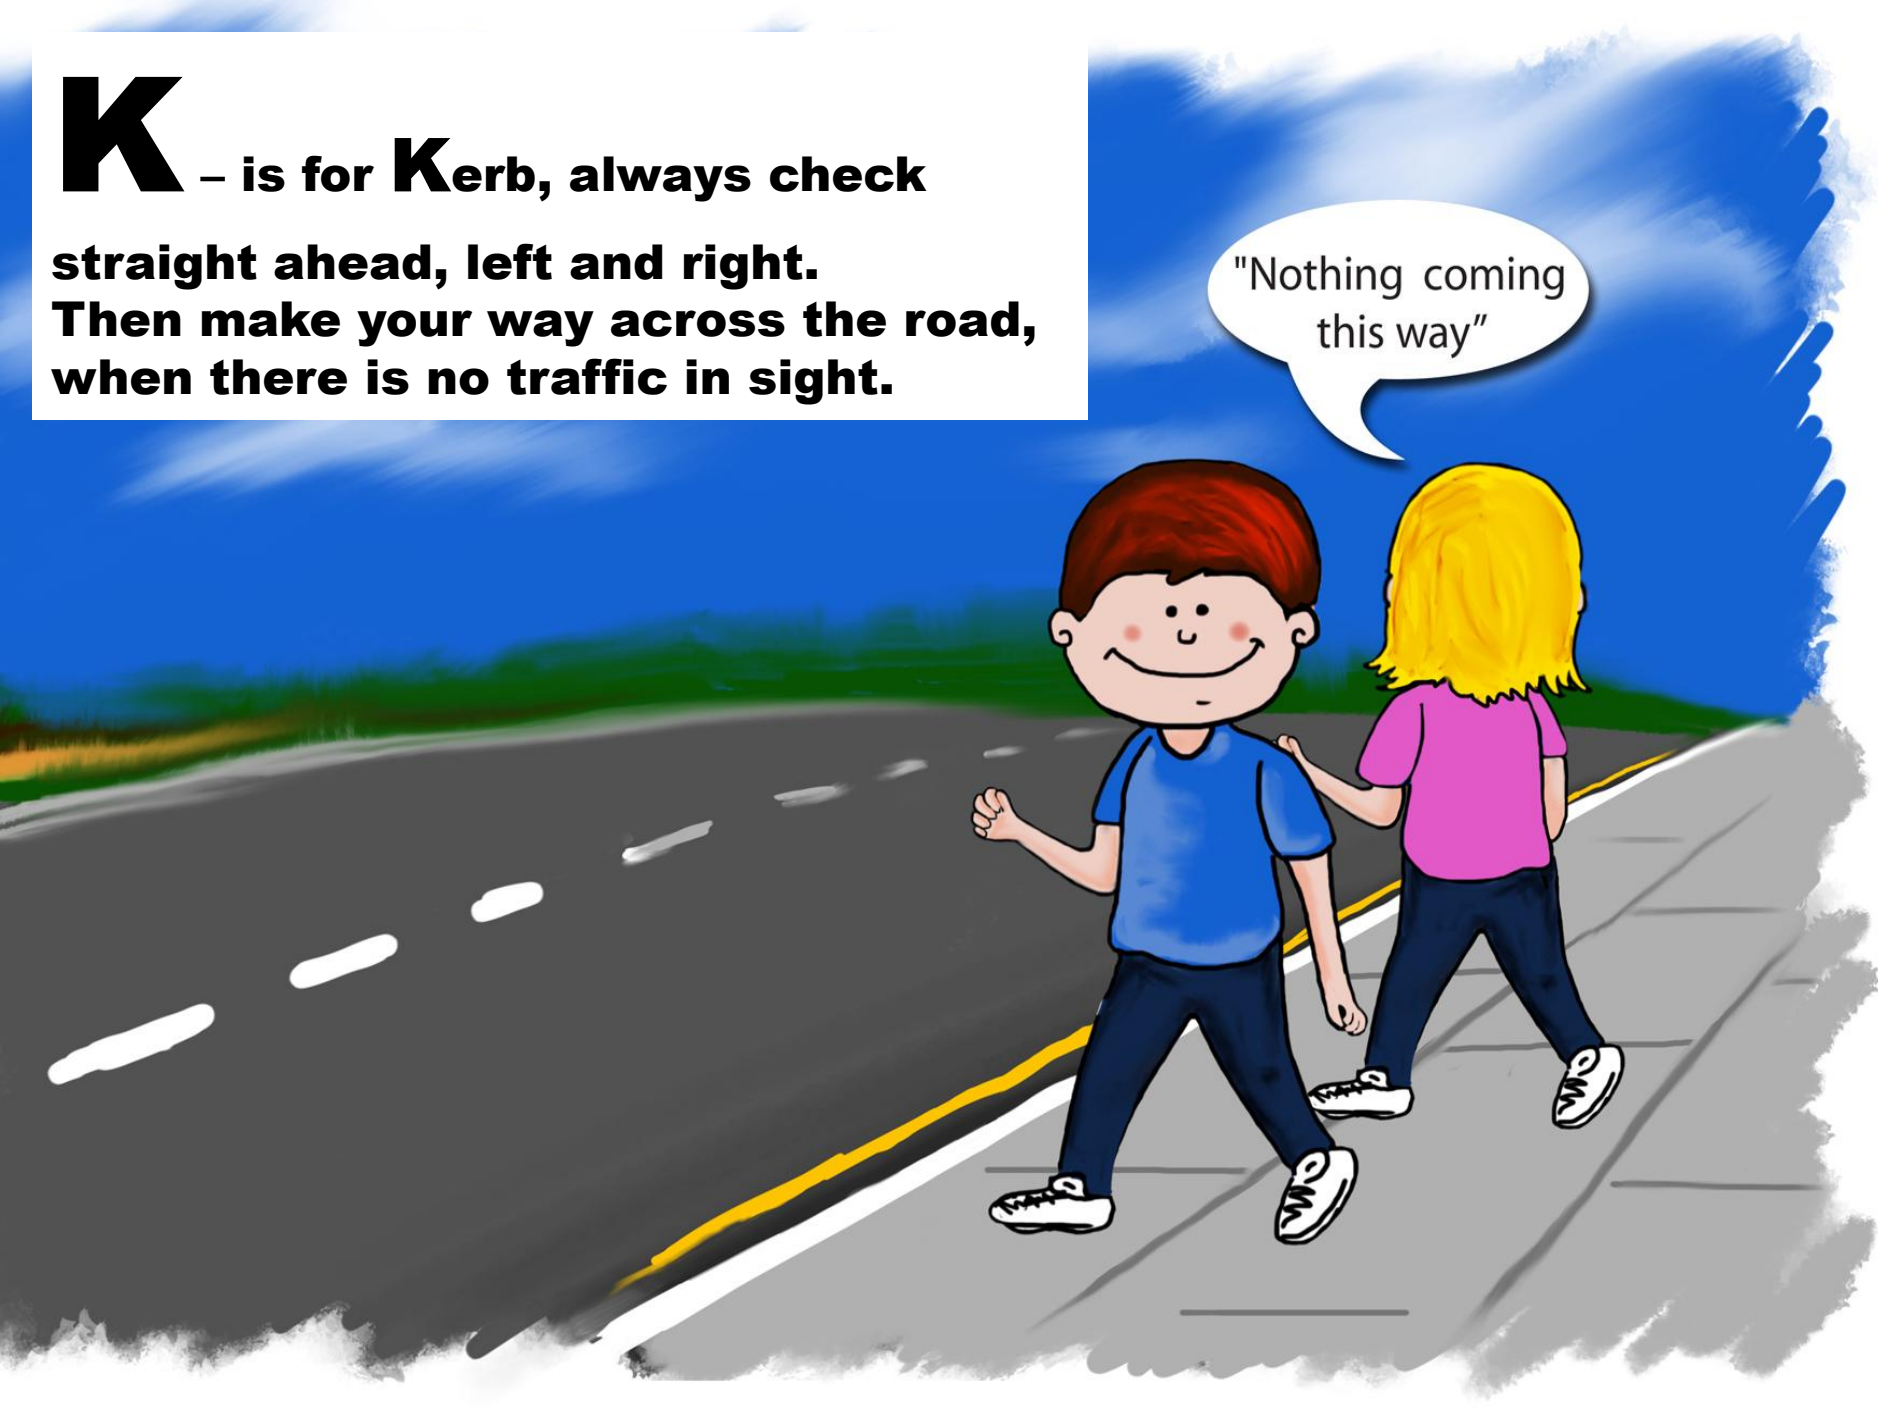

I wonder where that
red car is going to?

J – is for

Junctions,
where two or
more roads
meet.

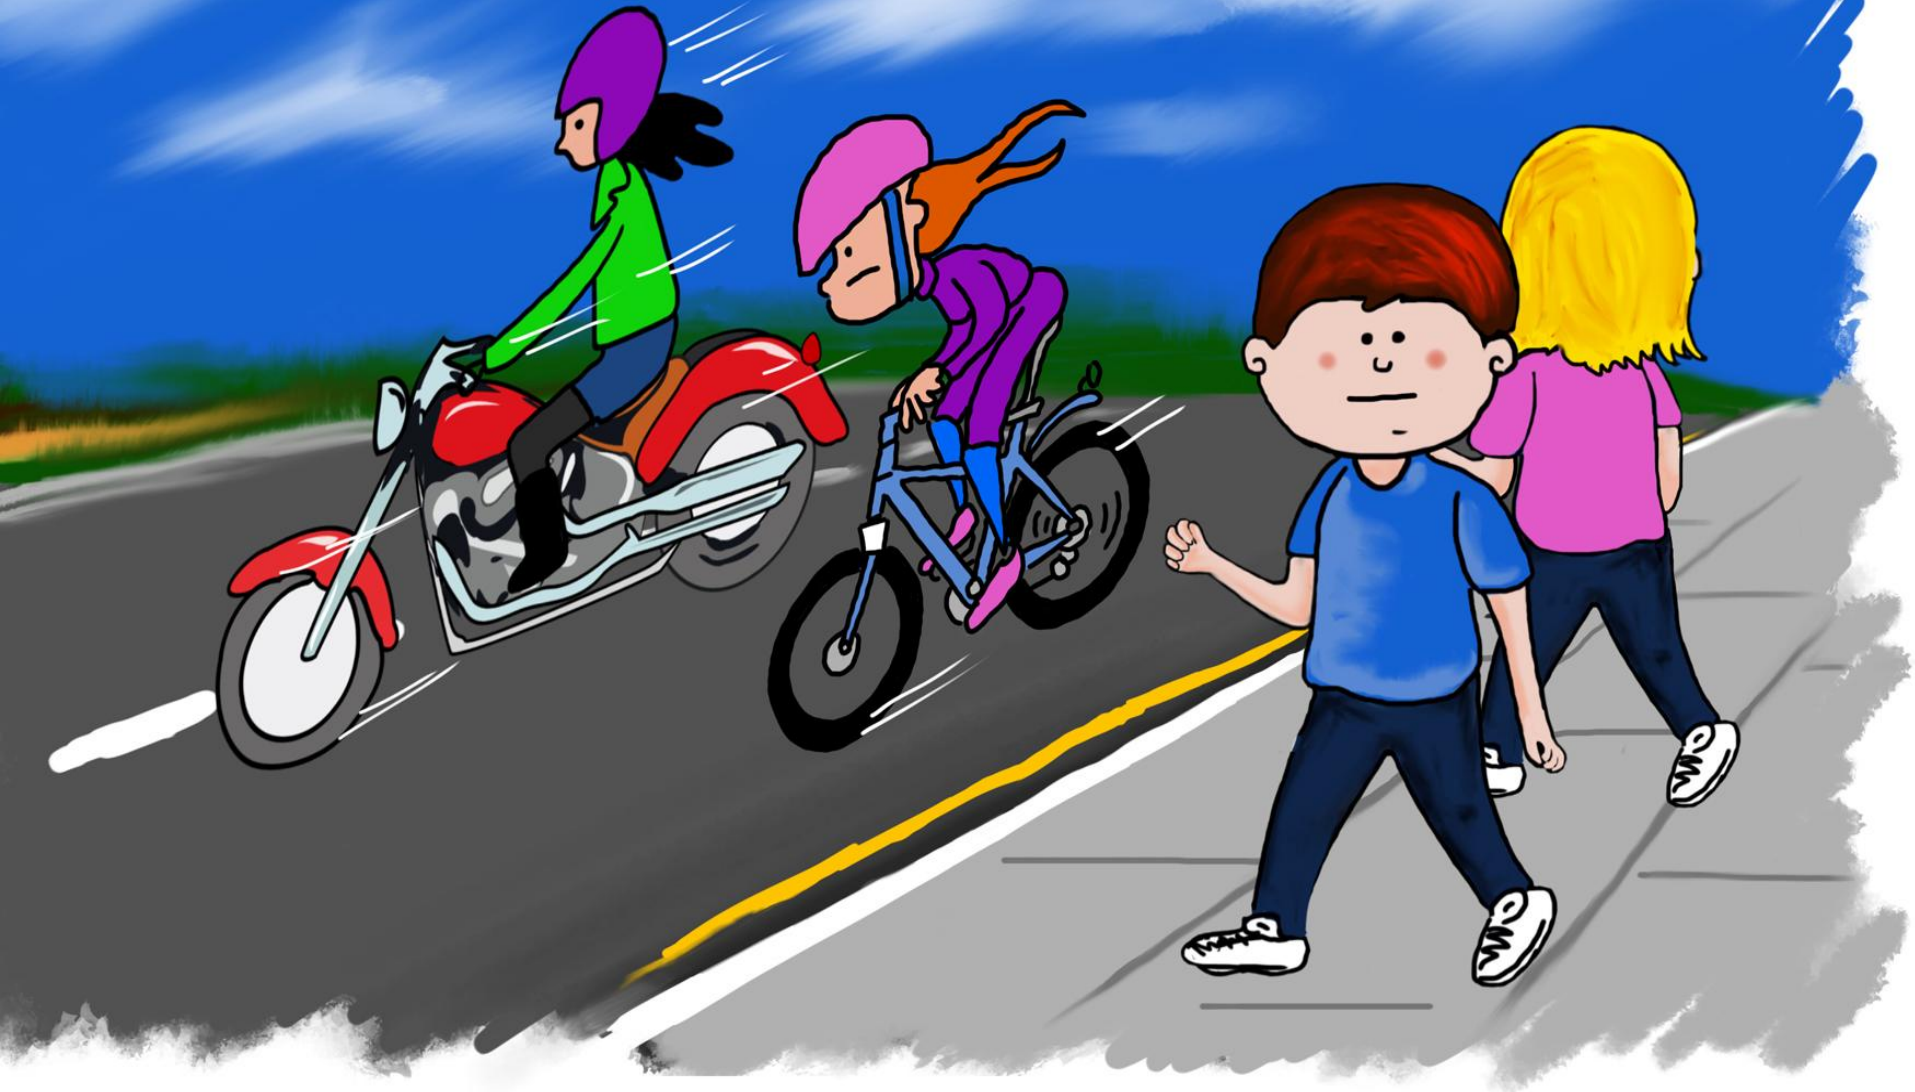

**Look out for
traffic,
on each and
every street.**

K – is for **K**erb, always check
straight ahead, left and right.
Then make your way across the road,
when there is no traffic in sight.

L - is for **L**ook and **L**isten each and every way.

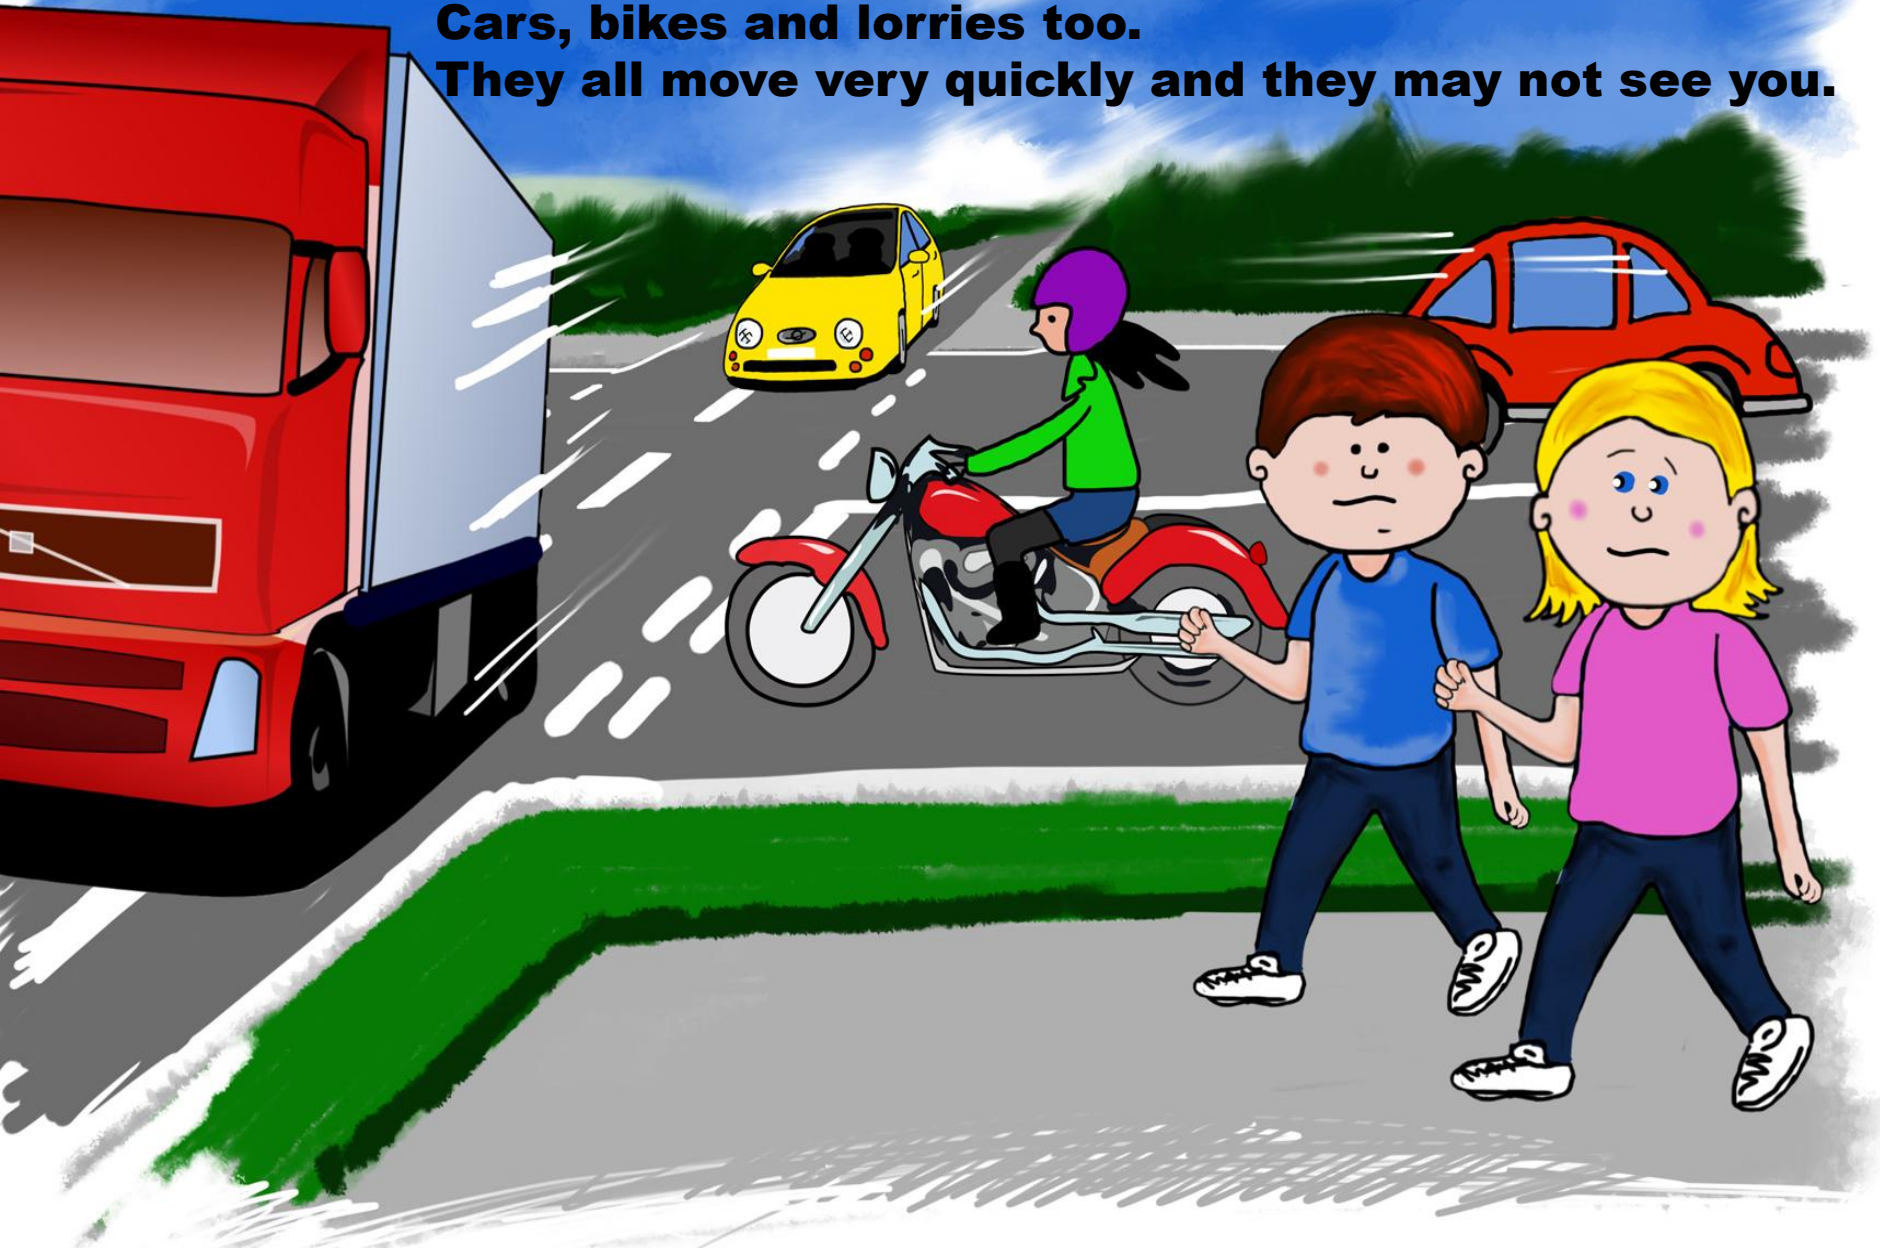

**If there is something coming,
On the footpath you should stay.**

M – is for **M**otor vehicles.

Cars, bikes and lorries too.

They all move very quickly and they may not see you.

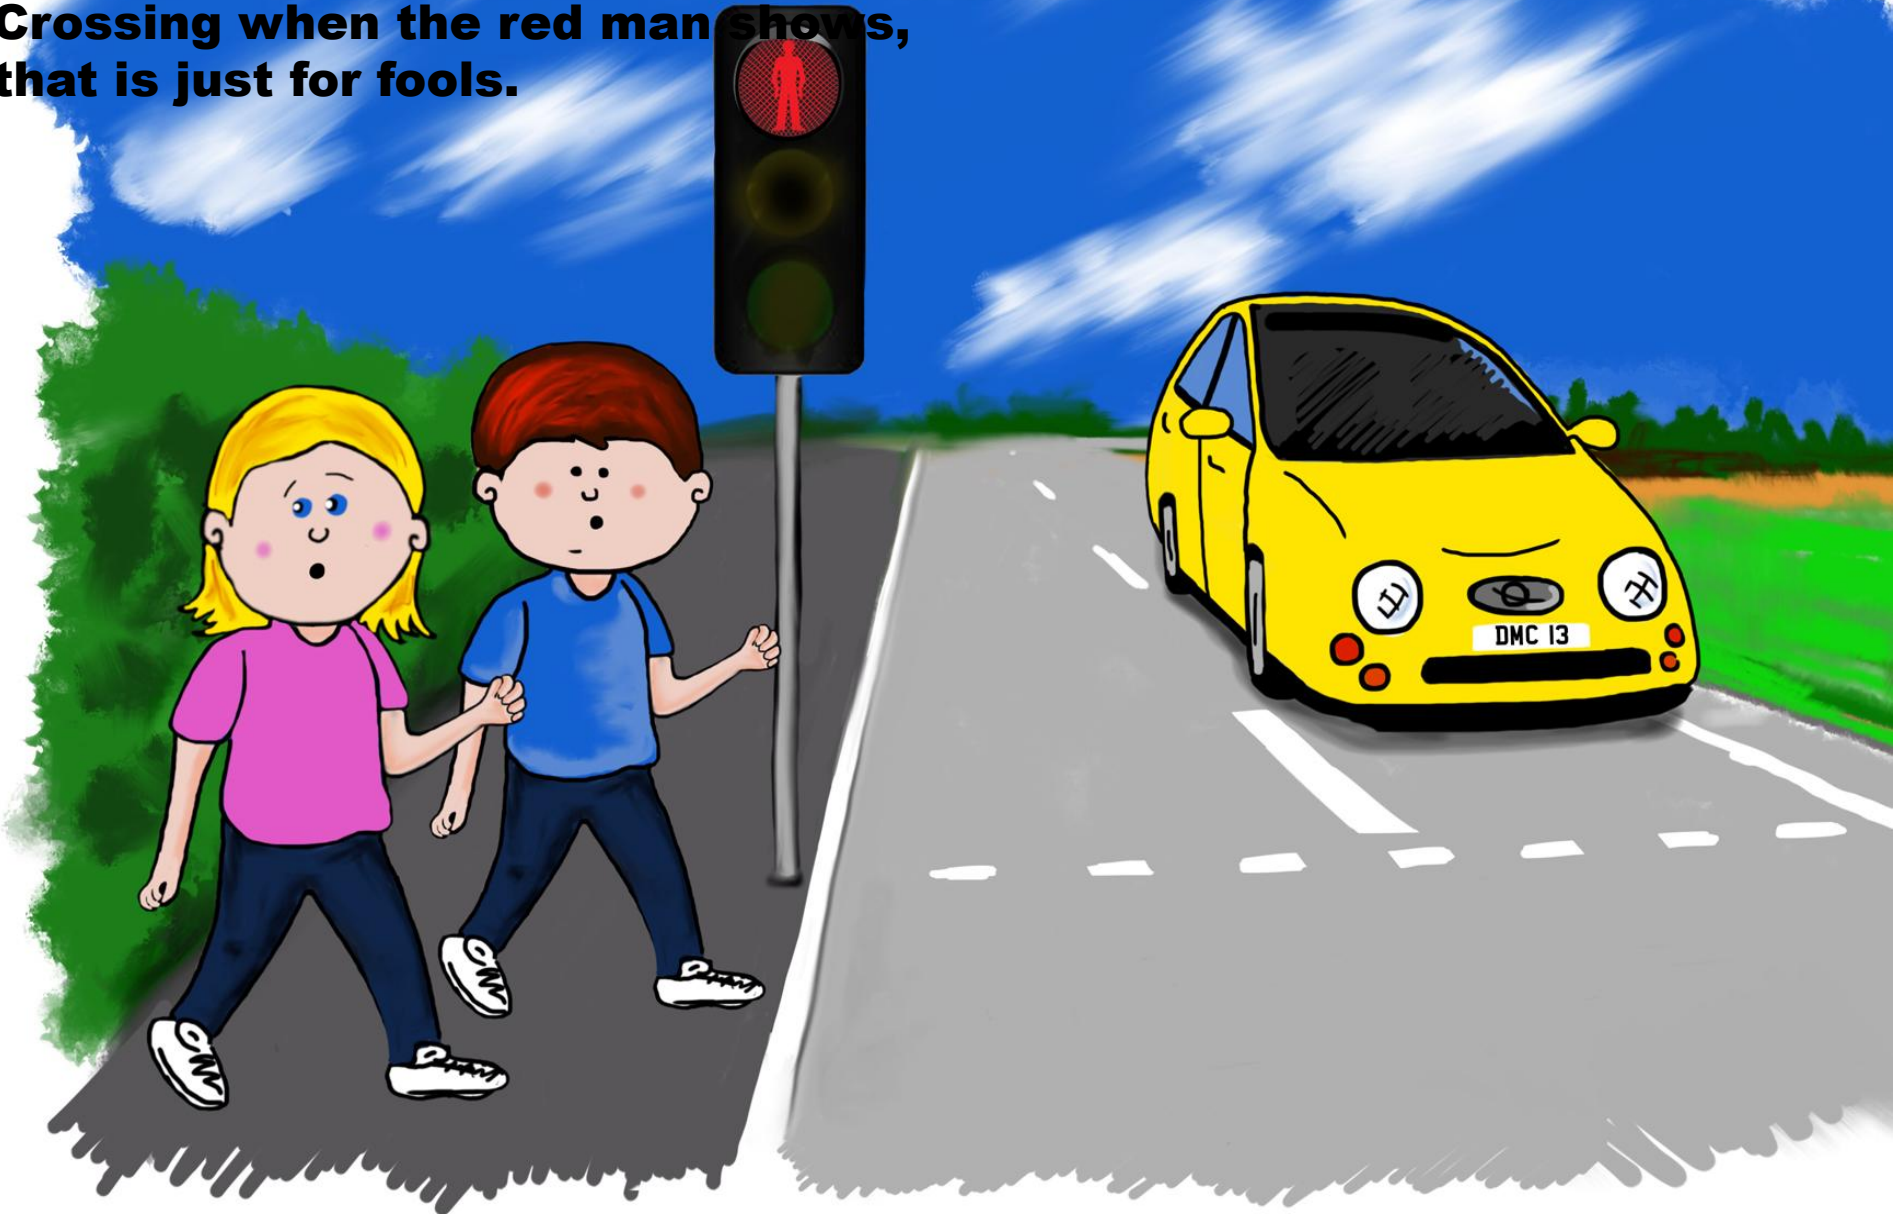

N – is for **N**ight, if out wear something bright.

Or if you are on a bicycle, make sure that it has a light.

O – is for **O**bey, never break the rules.

**Crossing when the red man shows,
that is just for fools.**

P – is for **P**olice, they are there to keep us safe.

When out patrolling on the roads, they are a better place.

Q – is for **Q**ueue, stand patiently there's no rush.

**When getting on or off the bus,
there's no need to push.**

R – is for **Railway** line. This is not a place to play!

**Trains move very fast and quite,
you'll have not time to get out of the way.**

Go and
get the ball

No, it's too dangerous -
let's go and play
something else

S – is for **S**afety. Four word you should recall.

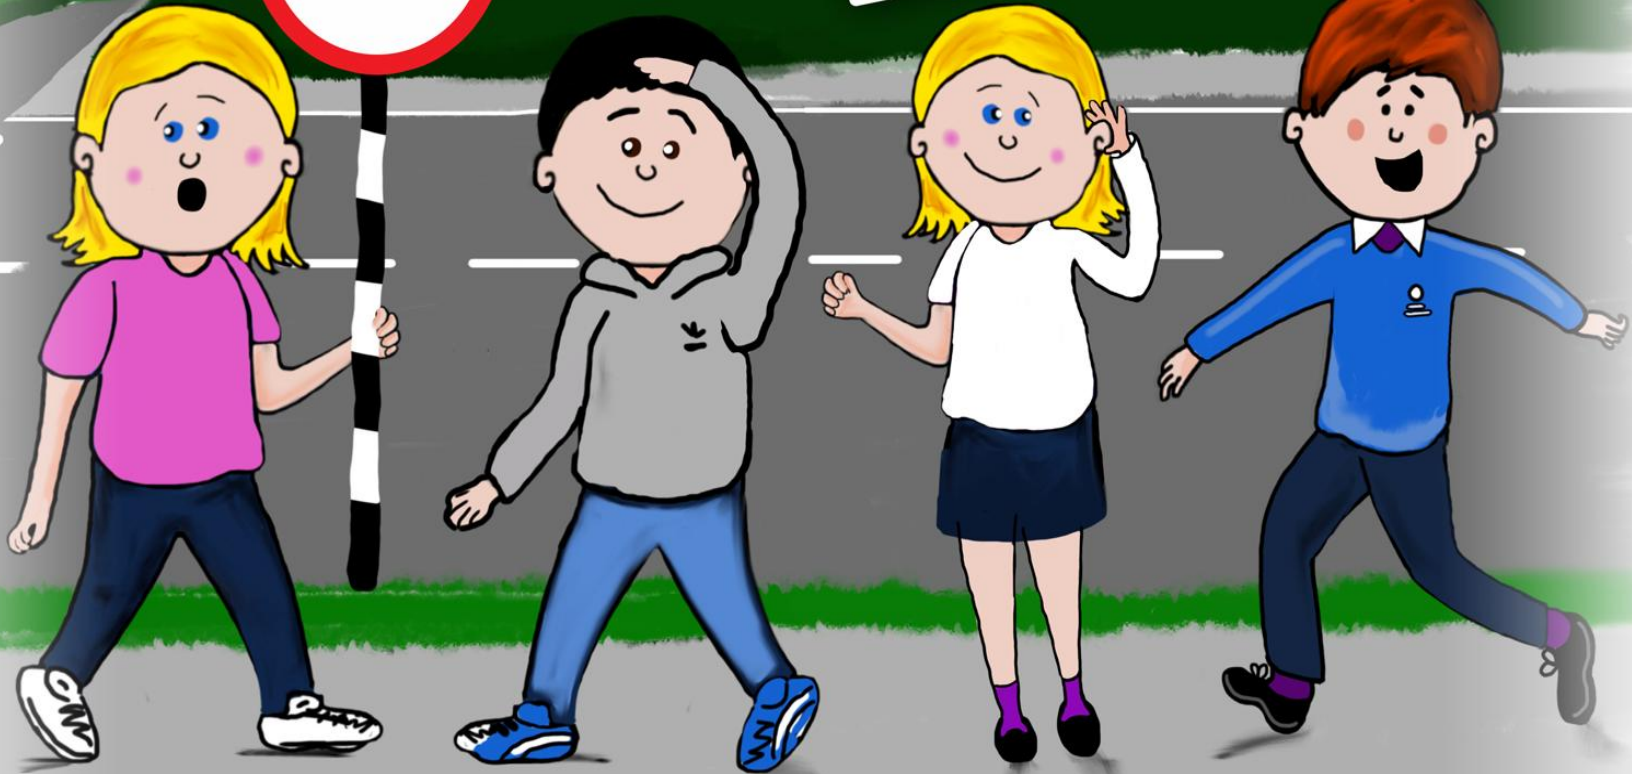

STOP

LOOK

LISTEN

LIVE

The most important rule of all!

T - is for **T**raffic lights.

Red

Amber

Green

Stop, Wait and Go IF SAFE,
that is what they mean.

U – is for **U**nplug, your headphones and music beats.

**Listen to the traffic,
for sirens, revs or beep beeps.**

V - is for **V**ision.

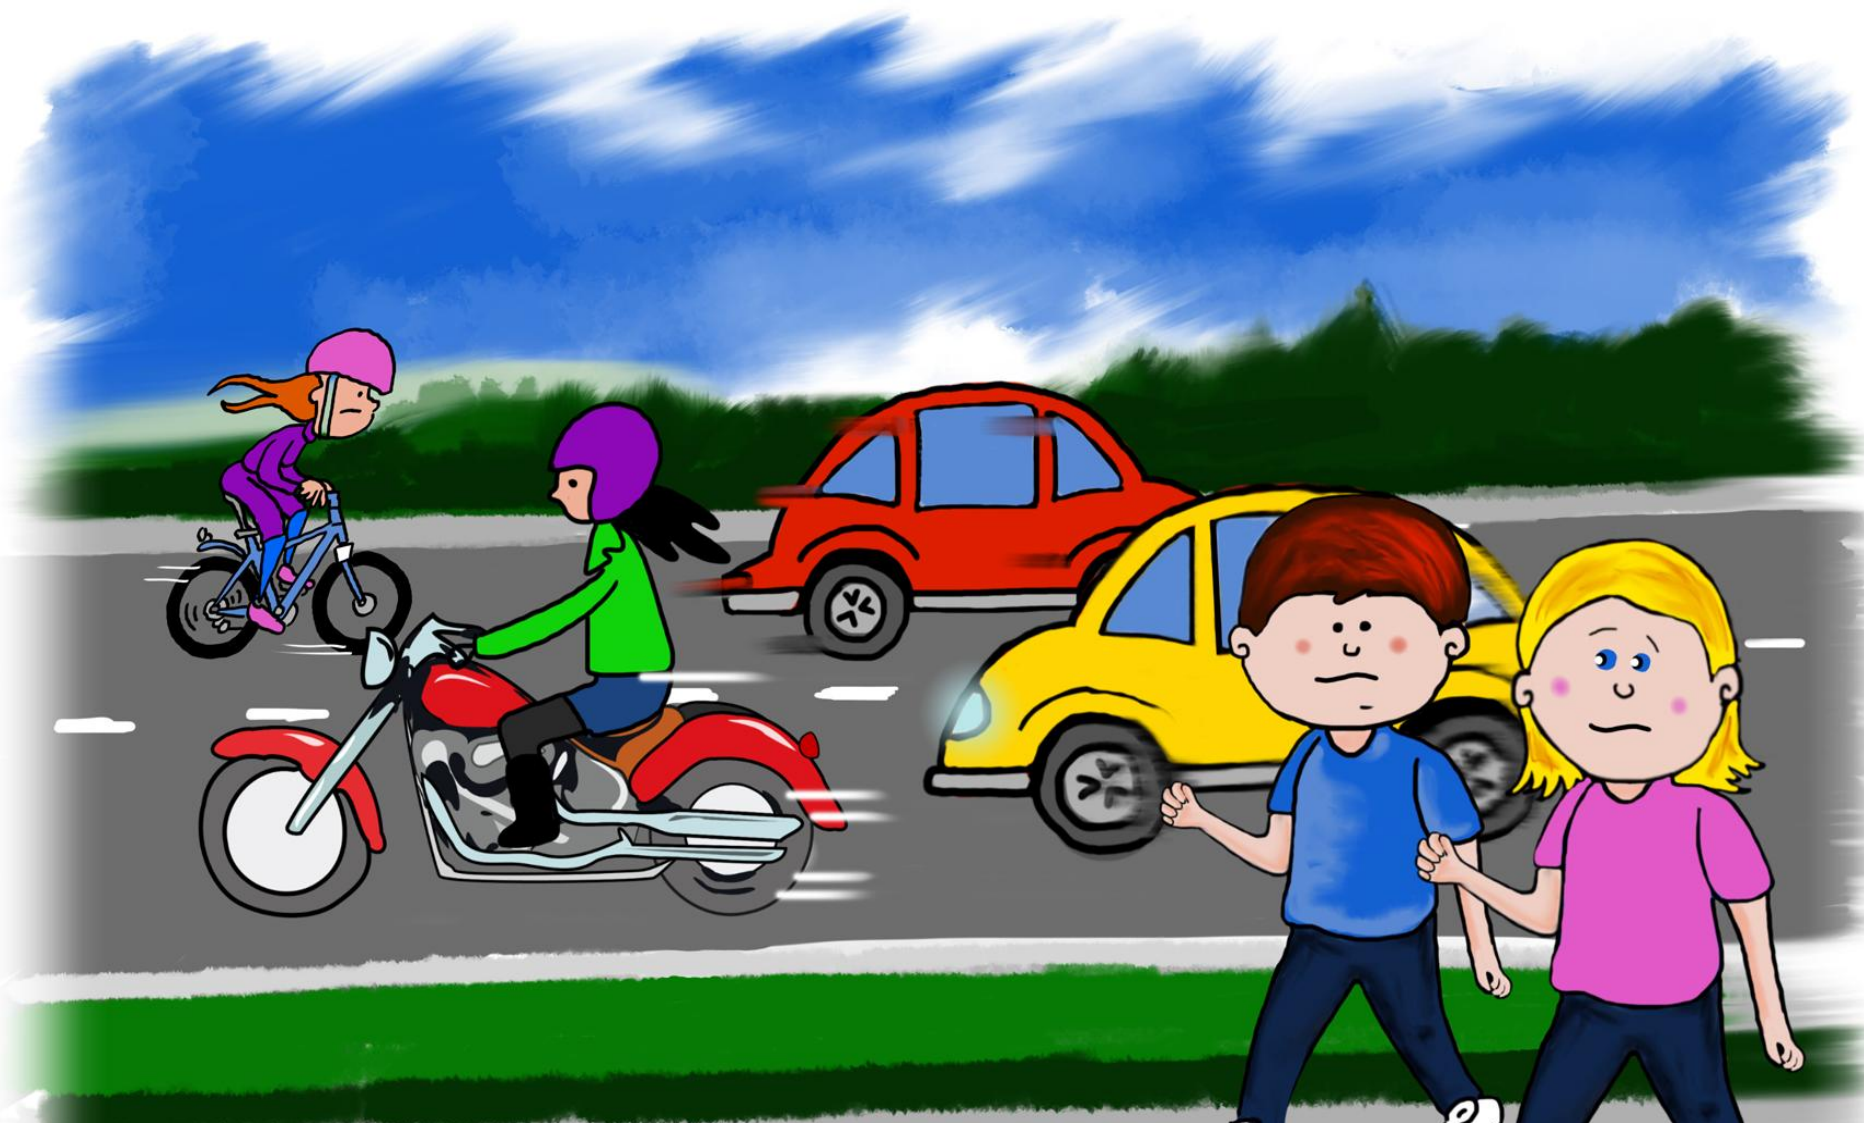

**Always check the road is clear.
Or even stop and ask yourself,
does that driver know I'm here.**

Ok. We can cross when
this red car has gone

No cars
coming this way

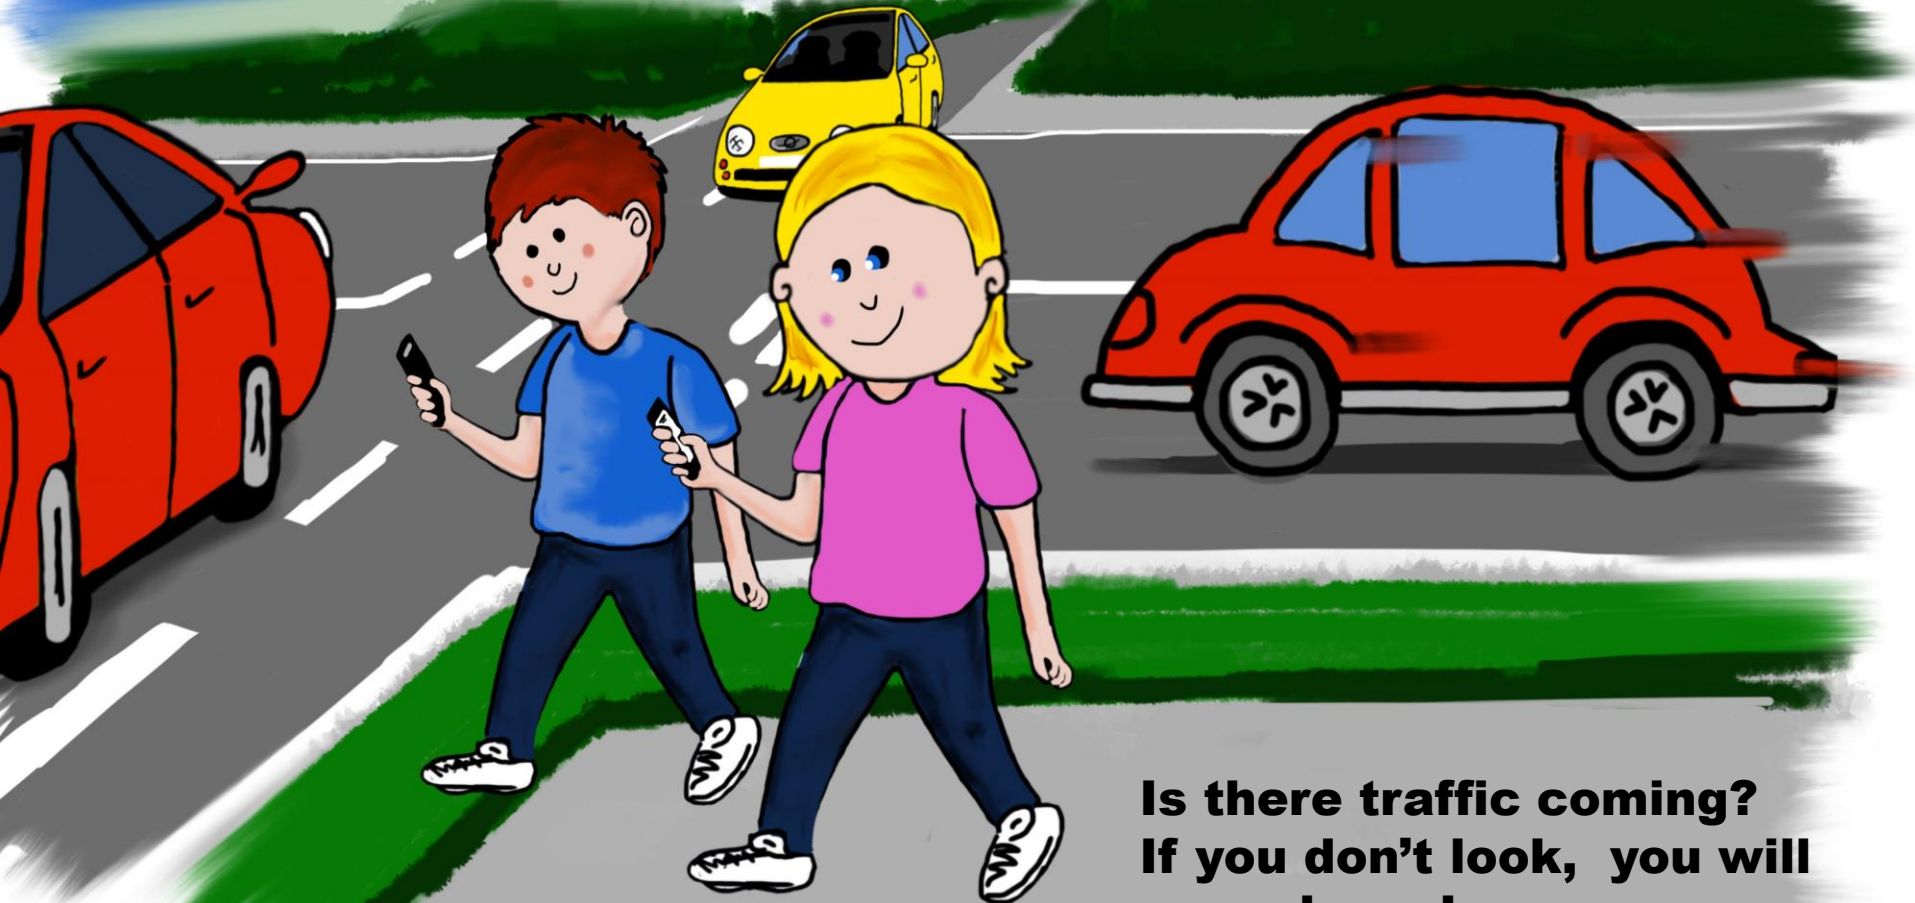

W – is for **W**ait. It's better late than never.

**To rush across a busy road,
just isn't very clever.**

X – is for te**X**ing.

Don't text while on the road.

**Is there traffic coming?
If you don't look, you will
never know!**

Y

- is for **Y**ou, take care on every street.

**BEEEEEEEEEP!!
BEEEEEEEEEP!!**

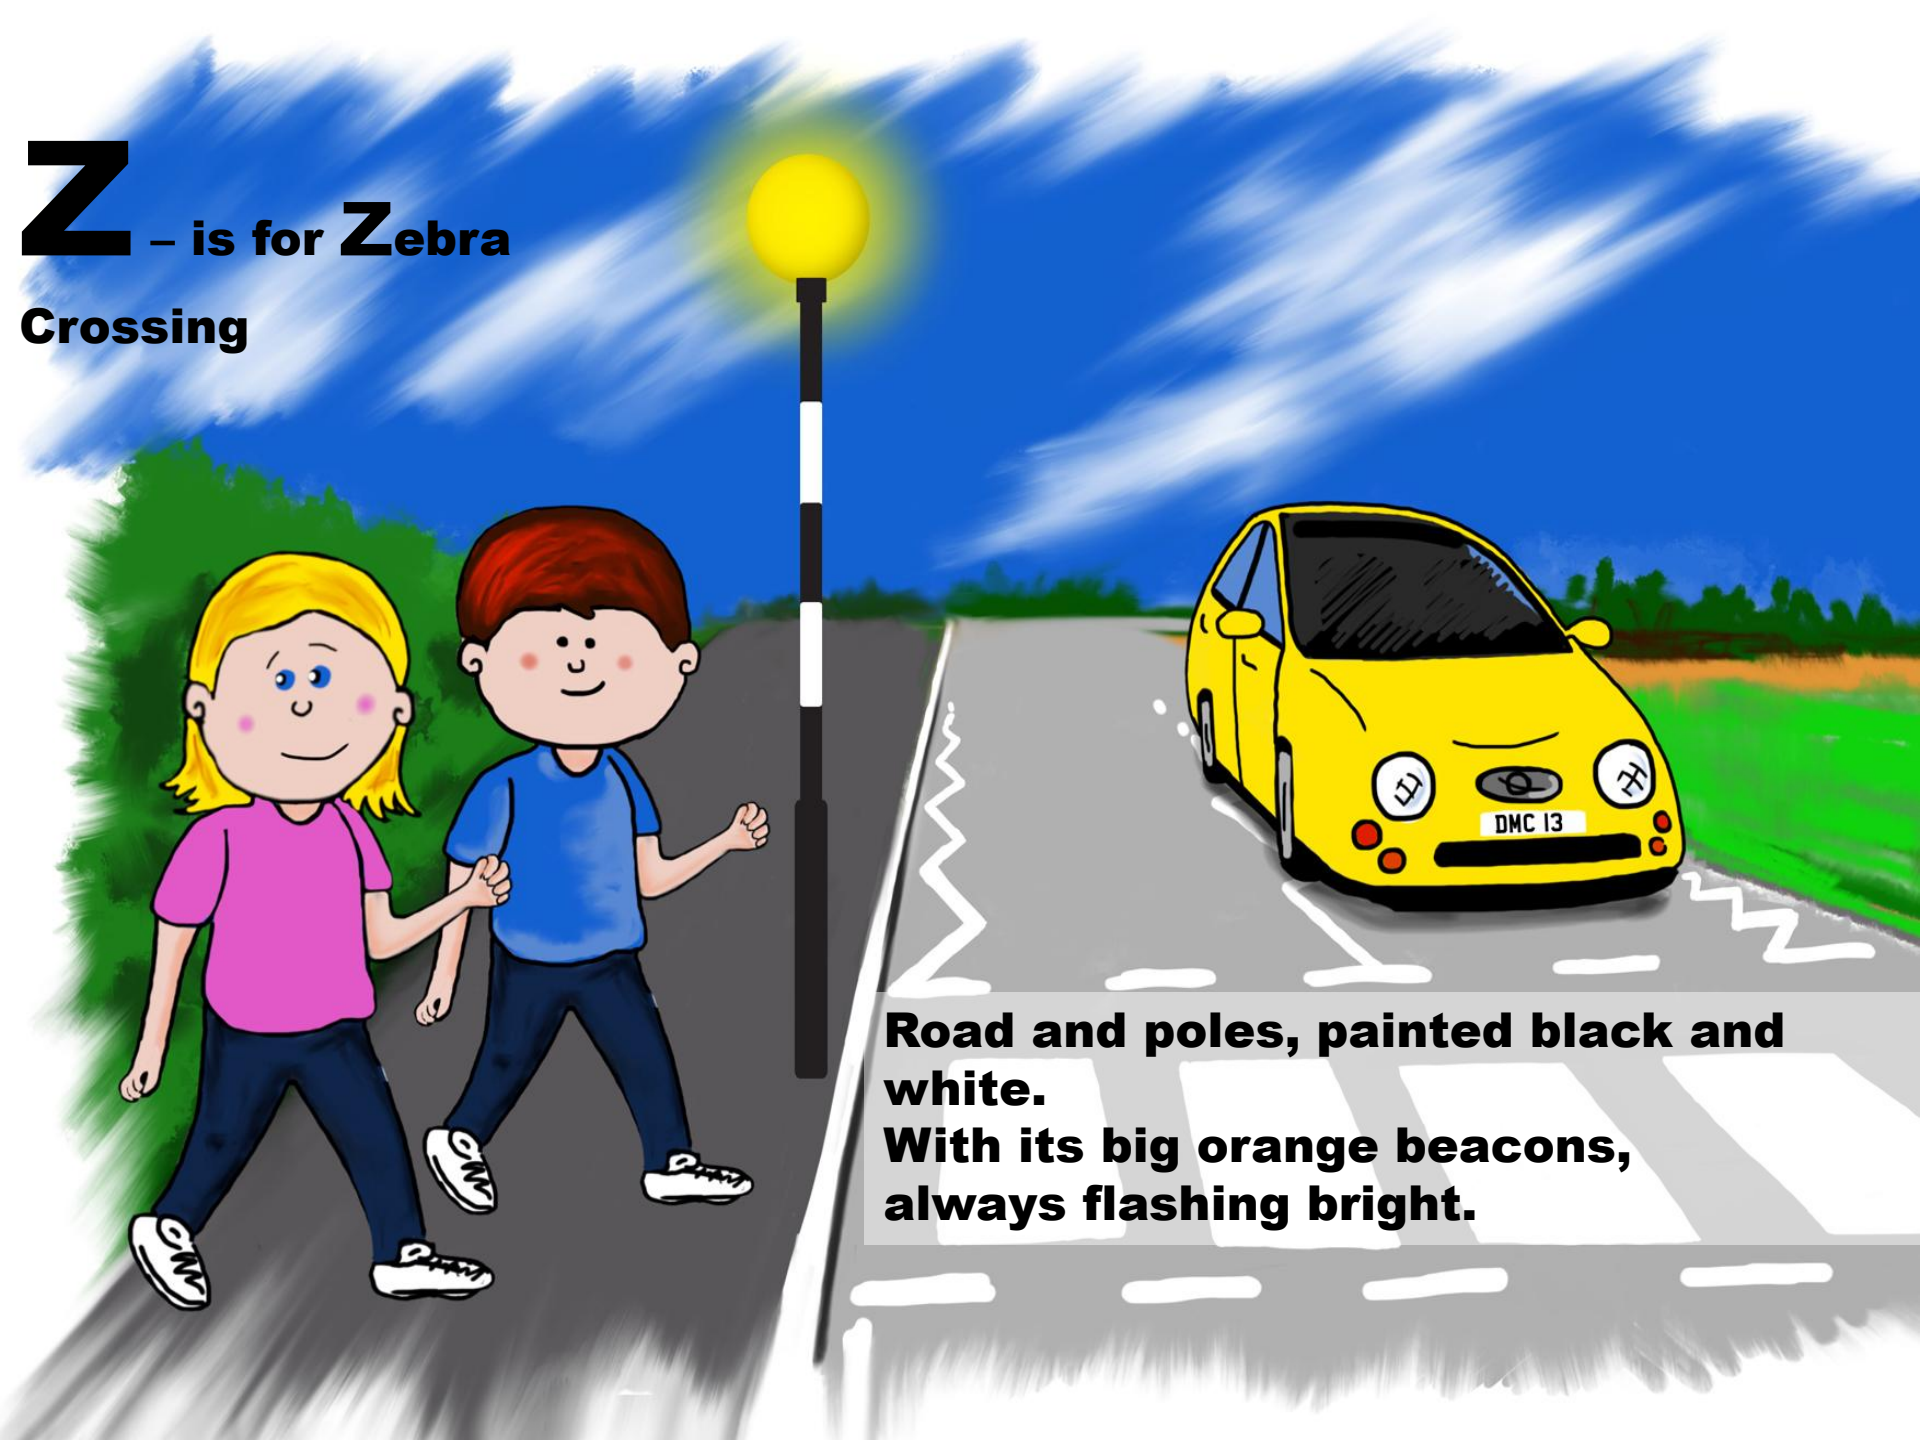

It's much safer
to play here

**Never run or play on roads.
Who knows what you will meet.**

Z - is for **Z**ebra

Crossing

**Road and poles, painted black and white.
With its big orange beacons,
always flashing bright.**

Road Safety

Alphabet

Bye for now.

**Remember,
stay safe on
the road!**
